Translink has introduced a new free Belfast city centre shuttle service to make it easier to access city centre shops and entertainment outlets while the safety cordon remains in place. The new service will operate throughout the day, every 10 minutes from 9am to 6pm Monday - Saturday and every 20 minutes from midday to 6pm on Sundays, connecting St George's Market, City Hall, Victoria Square and Royal Avenue with a new stop on North Street.

Information on Metro services that are affected by the current road closures can be found in the travel updates section of [translink.co.uk](https://www.translink.co.uk)
